EDUCATION

# Innovation Labs

## HOSTED BY EDUCATION MARKET EXPERTS

Share your solution with dozens of district admins

Participate in intensive, small-group sessions with admins

Receive pre-session training to maximize your pitch & your time with admins

## WHO'S ATTENDING?

The Education Innovation Labs unite forward-thinking school and district leaders to exchange ideas, share best practices, and develop solutions aimed at transforming and reimagining the future of education.

## Reserve your Spot Now!

Learn more and register by scanning the QR code:

## Connect

Connect with administrators who bring years of deep expertise and innovation. Utilize their experience and buying power to help you sell your product.

## Demonstrate

Demonstrate how your innovative product or service can solve the most pressing issues facing educators today.

## Support

Part of your fee goes toward providing a scholarship directly to participating schools or districts.
